

## A FUNDRAISER FOR OUR FOUNDATION

*Northern Indiana LAKES Magazine* is working with The LaGrange County Lakes Council (LCLC) to offer a unique fundraising opportunity. The magazine will donate 30% of your **new** subscription amount to the organization if you subscribe from this offer. You can elect a one year (eight issues) or two year (sixteen issues) subscription. This is a very high quality magazine that features people, places, entertainment, events and items of interest in and around LAKES Country. The photography and overall publication is breathtaking. For a preview, look at their web site at [www.NILakes.com](http://www.NILakes.com).

For 100 one-year subscriptions you're association would earn over \$800. If all of them were two-year subscriptions, they would earn over \$1,500.
